

Factoids

1. Today's vehicles have more advanced technology than ever before. Safety features like Electronic Stability Control, Collision Sensors and Blind Spot Monitoring help keep you feeling secure. 3-D Navigation, Hands-Free Voice Command systems and Dual Zone Electronic Climate Control systems keep you connected and comfortable. Mopar Vehicle Protection plans provide peace of mind coverage for all of your vehicle's advanced technology systems.
2. Today's vehicles can have as many as 50 microprocessors that communicate over your vehicle's own internal high speed digital networks. Modern technicians must have the tools and training to interpret what your car is saying. Mopar factory-trained technicians speak your vehicle's language.

† About Mopar

First coined in the 1920s to describe the parts and services arm of FCA US LLC, Mopar (short for motor parts) soon became synonymous with automotive performance and racing prowess. Mopar automotive parts are sought after by car enthusiasts around the globe and are used exclusively for all FCA Canada Inc. vehicle repairs.

Whether you drive a little or a lot, an FCA Canada Inc. Certified Pre-Owned Vehicle Service Contract gives you peace of mind. It's a smart and convenient way to ensure that your vehicle warranty suits your driving habits while protecting you against unwanted mechanical repair costs.

It's also an affordable way to ensure your vehicle will be serviced by factory-trained technicians using genuine Mopar[†] parts.

FCA Canada Inc. Service Contracts keep us connected to you, our loyal customer, as we strive to build your next vehicle even better.

Certified Pre-Owned Coverage

Every eligible Certified Pre-Owned Vehicle can be covered with an optional, fully transferable FCA Canada Inc. Service Contract Plan that can be rolled in with your regular car payments. These comprehensive, premium plans extend the life of your vehicle, ensuring that it runs at peak condition.

Today's vehicles have more technology than ever. Who better to service your vehicle than an authorized retailer of the company that built it.

Repair Cost Comparison

Historically, our automotive repair costs have increased each year. This chart projects what repairs might cost without an FCA Canada Inc. Service Contract.

COMPONENT	2014	2017	2020
Engine Overhaul or Replacement	\$7,650	\$8,359	\$9,134
Transmission Overhaul or Replacement	\$8,127	\$8,881	\$9,705
Air Conditioner (Compressor)	\$907	\$991	\$1,083
Body Control Module	\$608	\$664	\$726
Power Window Motor	\$262	\$286	\$313

Prices may vary. The cost of a single repair could be more than the price of your FCA Canada Inc. Certified Pre-Owned Vehicle Service Contract. The cost for 2017 and 2020 was derived by adding a CPI increase of 3% to each year.
